

The Transit

OF ALPHA DELTA ZETA

Alpha Delta Zeta Website Launched

The newest installment of the Alpha Delta website is the most powerful in our Zeta's history. When you visit alphadeltazeta.org you will find the latest news on what is happening at the house as well as upcoming events, and house standings. Pictures are worth a thousand words, and the photos in our galleries are priceless.

In the photo section you will find pictures from house events like Chicky-B, work week, Greek Week, and St. Pat's. The Alumni section now provides alumni updates that we receive, an alumni events calendar, and important information from the housing corporation. Future plans include

adding the alumni directory to site.

The Discussion section is the most exciting part of the new website. Through the discussions you are able to communicate with other alumni as well as current house members. This should be a great way to reunite brothers, share experiences, and foster a better

understanding of the history of Alpha Delta Zeta.

Registering with the site allows you to participate in the discussions and download files from the download section, so come take a look at our new website and let us know what you think.

A special thank you goes to Chris Hammond, AD 1190, for hosting and developing the new website.

Message from the High Beta

What a great time to be a **LAMBDA CHI!** The house is just a few members short of being at full capacity, morale is the highest it has been in years, we are first in intramurals, AND there are preliminary plans for a new chapter house. All the current brothers and associates are eagerly anticipating this new era here at the Alpha-

Delta-Zeta chapter at UMR. While grades and brotherhood are still top priorities, all the members are increasing their individual efforts to get a new house underway as quickly as possible. Our great Housing Corporation hopes to have official plans and dates set soon.

As most of you know, St. Pat's is right around the

corner. All of us are really looking forward to not only the time off, but also celebrating great times with all the alumni. All the guys love to hear about what life was like "back-in-the-day," so please make every effort to come down, and have some fun with us!!!

Welcome Our New Initiates!

St. Pat's 2004: The Best Ever!

With only a few weeks left until St. Pat's 2004, the entire house is getting excited. We hope to perform well in all St. Pat's events, but most of all hope to have a great time and see many Lambda Chi alumni down for the celebration. With two actives that are St. Pat's alumni, two actives that are Senior Reps, and two associates that are Baby Reps, Alpha Delta Zeta is helping to keep the deep tradition of St. Pat's alive on this campus. Matt Foster

and I have the chance to be on Court this year and are doing our part to make sure St. Pat's 2004 is the truly the Best Ever!

If you can make it down for the celebration, we will have extra St. Pat's sweatshirts with our house design on the back available for purchase. If you are unable to make it, you can contact me to buy a sweatshirt or other St. Pat's merchandise. On behalf of all of Lambda Chi Alpha's St. Pat's Reps, we look forward to seeing you all

in March and hope you have a safe and exciting St. Pat's 2004!
Greenly,
Martin Hoffman
